BACKGROUND

This superyacht was a lifelong dream for the owner, who, after committing his career to the marine industry, decided it was time to dedicate a yacht to himself.

Only seven years old, he had a vision to build a boat and visit the world. As he recalls, "I remember approaching the yacht's stern on which Winston Churchill was smoking his cigar. This image has stuck with me ever since and generated the dream of a large yacht as a world cruising platform."

Delivered in 2018 in Olympic Yacht Services in Greece; we now have a shining example of Greek quality, luxury, comfort and a passion for the sea.

DREAM

REFIT

The conversion at Olympic Yacht Services involved the complete redesign and rebuild of her hull and superstructure, fulfilling today's impeccable superyacht standards.

The bow has been lengthened and heightened significantly and now boasts a much more streamlined shape akin to other modern-day superyachts. *DREAM's* stern was also re-shaped. The original was cut off and a new, longer section was added to incorporate a large beach club, which is revealed by the opening of a new transom door.

In total, these changes have added an extra 13 metres onto her length as before the refit she was 93 metres.

SUN DECK

THE SUNDECK HOUSES A MASSIVE, TWO-LEVEL MOSAIC POOL. TO ONE SIDE SITS A NUMBER OF SUNPADS SHADED BENEATH MULTIPLE AWNINGS, TO THE OTHER SIDE IS A SIT-UP (AND SWIM-UP) BAR.
